

> Mercedes Benz factory, Rastatt

KAEFER Construction GmbH, Frankfurt

Summary	New building for second production line with assembly hall and industrial park as well as permanent conversion work.
Location	Mercedes-Benz Werk Rastatt, Mercedesstraße 1, 76437 Rastatt
Build time	April 2003 until now
Client	Daimler AG, Mercedesstraße 1, 76437 Rastatt
Architect	Kohlbecker Architekten und Ingenieure, Hildastraße 20, 76571 Gaggenau
KAEFER's role	Dry construction, plasterboard walls, system walls, ceilings
Challenge	Construction started 3 days after order was placed. Developed a proprietary partition system based on industrially made sandwich panels.
Our solution	Movable partitions taking production conditions into account, 1,5 years development time, keeping spare parts in stock for 4 partition wall systems.
Added value for client	One contact for all dry construction work (floor, ceiling and walls), repair service with 24 hour hotline.
