

> **Neuwiedenthal Los 1-5, Hamburg**

KAEFER Construction GmbH, Bremerhaven

<b>Summary</b>	External refurbishment of 22 blocks of flats
<b>Location</b>	Luhering, Striepenweg, Hardauring, Gerauring, Maakenhofwinkel, Thiemannhof, 21147 Hamburg-Neuwiedenthal
<b>Build time</b>	August 2007 to April 2009
<b>Client</b>	GWG, Gesellschaft für Wohnen und Bauen mbH, Poppenhusenstraße 2, 22305 Hamburg
<b>Architect</b>	GWG, Gesellschaft für Wohnen und Bauen mbH, Poppenhusenstraße 2, 22305 Hamburg
<b>KAEFER's role</b>	External composite insulation, concrete restoration
<b>Challenge</b>	Logistics: coordinating staff and material in different buildings within a very short construction time
<b>Our solution</b>	Careful planning and coordination with everyone involved in the project.
<b>Added value for client</b>	KAEFER competence, especially due to many years of experience in restoring facades.
